If you have read the news lately, then you might have seen that Prudential Life Plan, one of the stalwarts in the pre-need plan industry has toppled down. The company is now in the liquidation process and they have thousands of planholders who are waiting to be refunded. The worse thing is that, the planholders would not get the entire amount that they are entitled to, but only a percentage thereof.

So what does this have to do with Bacolod City?

This situation has got a lot to do with Bacolod. You see, many people end up losing a huge part of their money because they were not able to invest wisely. They opted to invest in something that they don't even see. But had they invested in real estate properties such as lots for sale in Bacolod, their investment would have appreciated over time.

Should You or Should You Not Invest in Bacolod City?

There were some planholders who lost close to P400,000.00 worth of payments, an amount which could have actually bought some nice lot in a great Bacolod City subdivision such as Oasis Subd. Over time, the value of the property will have increased bringing you a substantial profit.

In fact, if you have visited the city lately, you will see that the number of cars on the road has considerably increased. You will also notice that there are many tall buildings and other edifices that defines the skyline of the city at present.

These all denote that there is more money pouring into the city than before, one which brings about good promises for you as a prospective investor.

Lots for sale in Bacolod are definitely far better investments than any other. These are those whom you may consider as one that can truly bring you profits in the long run without the possibility of disappearing before your very eyes.
