Want to know a secret? You could strike it big if you invest in a house and lot for sale in Bacolod City. There are a lot of affordable houses and lots for sale in suburban areas in the City of Smiles. Most of these properties have affordable prices, if not downright low. Make no mistake however as these properties are found in quality subdivisions where a lot of people would really want to live, which means that you can really get a bargain price for a top quality house and lot. One of the suburban areas where you may be able to find such types of properties with friendly prices is at Oasis Subdivision in Barangay Mansilingan.

There are countless reasons why you should invest in Bacolod City real estate.

Think about this.

Real estate is very much profitable and safer if you compare it to other types of investments such as currency investing, mutual funds, or even silver and gold. You may have noticed one major aspect in real estate investing and that is while there may be ups and downs, it is always growing.

And mind you, in Bacolod City, real estate is growing exponentially. This is perhaps due to the sharp increase in the influx of migrants from other provinces who intend to settle down permanently in Bacolod City. Being named as the “Most Livable City” in the Philippines may have brought huge benefits after all.

With aggressive rise of the city’s population, in part due to the arrival of settlers from other provinces, the need for more houses and lots suddenly became more urgent. This may be the reason why you see a lot of residential development in many of Bacolod City’s suburban areas.

Profiting from your investment in a Bacolod house and lot can go either way. You could buy a real estate property and sell it outright for a small profit, or you can stay with it and have it rented out to those who cannot yet afford to buy a house and lot. Either way can be very profitable for you. In fact, having the property you bought rented out is considered by most to be a truly safe way to make some money. After a few years, you can increase the rental and still own the property.

Obviously, the size and location of such real estate property will play a big role. Nowadays, people prefer to be some distance away from the hustle and bustle of city life, yet near enough important facilities like hospitals, schools, offices and markets. Such features, or requirements if you will, perfectly fit Oasis Subdivision.

Developed by Dynamic Properties and Realty Corporation, Oasis rapidly rose to fame as one of the most livable spots in Bacolod City. Why? It is located in a peaceful and tranquil location, an area that you would really like to go home to after a hard day's work. The fenced subdivision has 24/7 security personnel that roam the entire area at different hours of the day to ensure the safety and security of the residents living within the area. It also features huge roads and a state-of-the-art clubhouse replete with a beautiful swimming pool and a number of sports and entertainment areas.

With all these features and amenities, one could think that Oasis Subdivision could belong to that high-priced bracket of suburban dwellings. Fortunately, such is not the case. This premiere subdivision is among those in Bacolod City that are considered to feature the most affordable houses and lots. They have a couple of packages for you to choose from.

So if you are seriously considering investing at houses and lots for sale in Bacolod City, then you might want to take a closer look at Oasis Subdivision. For all you know, you might just hit it big there.
