and phase where the lot is located. Another factor that sets apart one lot from another is the size of the road where the lot is situated. These variations create a difference in the prices of the lots, so there is always one that will certainly fit the budget. Come to think of it, in a sprawling 18.7 hectare property, there will always be a particular lot that can appeal to your senses, one that can make you say, "I want to build my dream house right here!"

Aside from the price, other things that are worthy of taking a look at Oasis Subdivision is its amenities. In fact, the grand amenities that it offers are among the things that attract prospective homeowners. There is a grand and imposing clubhouse which is approximately a hundred meters from the entrance. The clubhouse has everything that can please families who are looking for something worth their while. It has an adult and children's swimming pool where members of the family can relax and enjoy on weekends. For those who are sports-minded, the basketball court adjacent to the clubhouse is the suitable destination, while those who prefer to walk or jog, they can do so around the subdivision at any hour since security personnel are around 24/7.

Another factor that makes the lots for sale in Bacolod City truly enticing, particularly in Oasis, is the fresh breeze constantly envelopes the home. When you step out of your home, you will be met by that wonderful breeze that will not stop caressing your face. Now that is something to look forward to whenever you leave the confines of your office and head home.
