Dynamic Properties & Realty Corporation

Dynamic Properties and Realty Corporation is among the most reliable and trustworthy real estate developers in Bacolod City. Offering you a wide range of options for your needs, it continues to be a leading force that drives the real estate industry in the city soaring to optimum levels.

Its foremost project, Oasis Subdivision, Mansilingan, Bacolod City, has gained considerable popularity in being a prime real estate subdivision that offers residents with affordable lots, as well as house and lots, but with a touch of luxury. The construction of such houses is supervised by on-site engineers and architects, ensuring quality at its finest.

With Bacolod real estate growing rapidly, now is the best time to invest in properties that could serve your needs and your family's for years to come.
